

## Club Paper Products

We recommend shopping around locally to see if you have a restaurant supply company in your area. If you do – you will save on shipping and some companies offer free delivery with minimum orders. Plus you get to build a relationship with a local business – you support them and they will support you!

The following chart includes the items you will need for all sizes of shakes and energy drinks in your nutrition club. There are several different brands and the item # for each brand is listed. **DO NOT SKIMP ON QUALITY OF CUPS!**

You can purchase all of the Karat products online at [www.LollicupStore.com](http://www.LollicupStore.com).

You can find hot cups and lids at Wal-Mart, Sam’s Club, Costco, etc. You will not use the hot cups as much as the cold cups so a large quantity may not be necessary up front until you have an idea of your numbers.
